

SIX SIMPLE STEPS TO KITCHEN ORGANIZATION SUCCESS

LAUREN MANG, CERTIFIED PROFESSIONAL ORGANIZER

DESCRIPTION

Do you dread organizing in the kitchen because of all the different categories that live there? Unsure of the "right" way to set a kitchen up for success? In this hour-long presentation, Lauren Mang of Let Me Organize It will share six simple steps to kitchen organization that will set you -- and your clients -- up for success: from poignant questions that get to the heart of the client's obstacles, to the best ways to maximize efficiency and storage, to organizing solutions that can help in even the trickiest of spaces. Throw in some visual case studies of how to consider various kitchen spaces, and some compelling before & after photos, and you'll walk away confidently knowing how to create a customized kitchen that your clients will love.

OBJECTIVES

- Discover six steps to maximize kitchen efficiency and storage
- Explore the best organizing solutions for kitchen and pantry spaces
- Learn how to customize systems from visual case studies
